NEWS DRAIN

STORMWATER NEWS YOU CAN USE

STORMWATER ART PROJECT

Bringing together businesses, the arts, our schools and (of course!) Drippy!

The Stormwater Department is pleased to announce that we are moving forward with our Storm Drain Art Contest and public mural project! First developed in 2019, this project was put on hold due to everyone's favorite pandemic. Now we are bringing it back! Working closely with our community partners, there will be a public art contest for school-age children, along with a public mural project that will be spearheaded by Downtown Fort Mill's very own Debbie Whitsett (Olive's Mud Puddle).

Student projects will begin in October, with the public mural completed in April of 2023.

For more details, check out the information page on our [website!](#)

Stormwater Advisory Committee Rides Again!

Welcome back to our Stormwater Advisory Committee! The current slate of members were sworn in by Town Council in October of 2020 but were never able to meet due to (everybody say it with me!) the pandemic. The committee were able to meet on July 26th this year and are eager to get started on the work of Stormwater!

Our current members are: Joe Moss, Andre Lennon and Mark Myrick

Adopt-a-Storm Drain this Fall!

<https://fortmillsc.gov/515/Adopt-A-Storm-Drain-Program>

Don't forget to adopt your storm drain!
We are gearing up for the fall leaf season
and now is the time to claim your drain!

This is a great way for families to
volunteer together in their
neighborhood. Help keep trash and
debris out of YOUR local creek!

We had a great time at our 3
successful Stories & Shaved Ice
events this summer! We had nearly
130 folks come out and enjoy these
events!

Volunteers Needed!

Stormwater
volunteers did **43**
hours of volunteer
time this summer!
