MyGovHub

Looking for Utility Bills? [Try QuickPay](#)

Manage your bills all in one place.

Create a Profile here, once your profile has been created you can log into MGH to review and/or pay your bill. If you choose not to create a log in you can still access the Quick Pay option to make a payment as long as you know your Service address and Account number.

It only takes about a minute -- [Create a profile](#) or [learn more](#).

To use the Quick Pay option they do not have to set up a profile, they can simply key in address and account number and pay with their credit card. When keying in the Service Address you can type in the first 3 characters of the Address and the print will turn green letting you know it can search on that criteria.

To use the Quick Pay option the customer must have **service address and account number**. Once they press find account they can select their account and Pay.

Step 2: To set up a Profile they must enter an email address and password, then they will need to add their account to their profile:

Step 3:

Step 4

The screenshot shows a web form titled "ADD ACCOUNT" with a close button (X) in the top right corner. Below the title, there is instructional text: "Please enter information as shown on your bill. Include both address and account number to find utility accounts." The form contains two input fields: "Address*" with the value "25803 per" and "Account #" with the value "10321100". Below these fields are two buttons: "Find Accounts" and "Reset". A section titled "Matching Accounts" contains a single entry: a checkbox followed by "Utility - ABC STORE #239" and "25803 PERDIDO BEACH BLVD / 10321100". Below this entry is an "Add Accounts" button. A callout box on the right contains the text: "Click the box next to the property you wish to add then press Add Accounts. You can have more than one account on your profile." Two red arrows originate from this callout box: one points to the checkbox in the "Matching Accounts" section, and the other points to the "Add Accounts" button. At the bottom right of the form is a "Close" button.
