

CHURCH SOFTBALL ELIGIBILITY

PLAYER ELIGIBILITY

- To participate in the Church Softball League, a player must attend the church for which they are playing but are not required to be a member of said church. Any person playing for a team other than the church of which they are a member, must be attending that church.
- Two (2) players who are members of a church without a softball team can play with another church with a team in the league. The pastors of the two churches involved must sign an official church transfer form agreeing to the arrangement.
- Players must be at least sixteen (16) years old in the Men's division and sixteen (14) years old in the Women's division. Any player under eighteen (18) years old must have the roster form signed by his parents/legal guardian to participate in the league.
- All players must be certified as eligible by their pastor/minister.
- A roster may contain no more than 20 players.
- Two or more churches may combine to form one team with the approval of the Athletic Director.
- Any challenges to a player's eligibility will be submitted in written form to the Athletic Director and will be handled by the Athletic Director calling the pastor of the church in question.
