

GO GREEN *this Season*

Use or make decorations from recycled-content material.

Remember the less fortunate. Donate to your local food bank.

Wrap gifts with plain reused or recycled paper or use bags.

Use an artificial tree or mulch a live tree after the holidays.

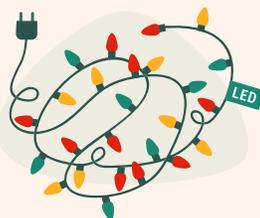

Buy gifts made from recycled-content material.

Email Christmas cards or send ones made from recycled paper.

Buy and use rechargeable batteries to reduce waste.

Save energy. Use LED lights, but don't recycle string lights curbside.

Don't recycle bows, ribbon, tags, bags and embellished paper.
